

Sparkling Still Library Thing website

Books listed in Sparkling Still are also listed on this public website:

<http://www.librarything.com/catalog/SparklingStill>

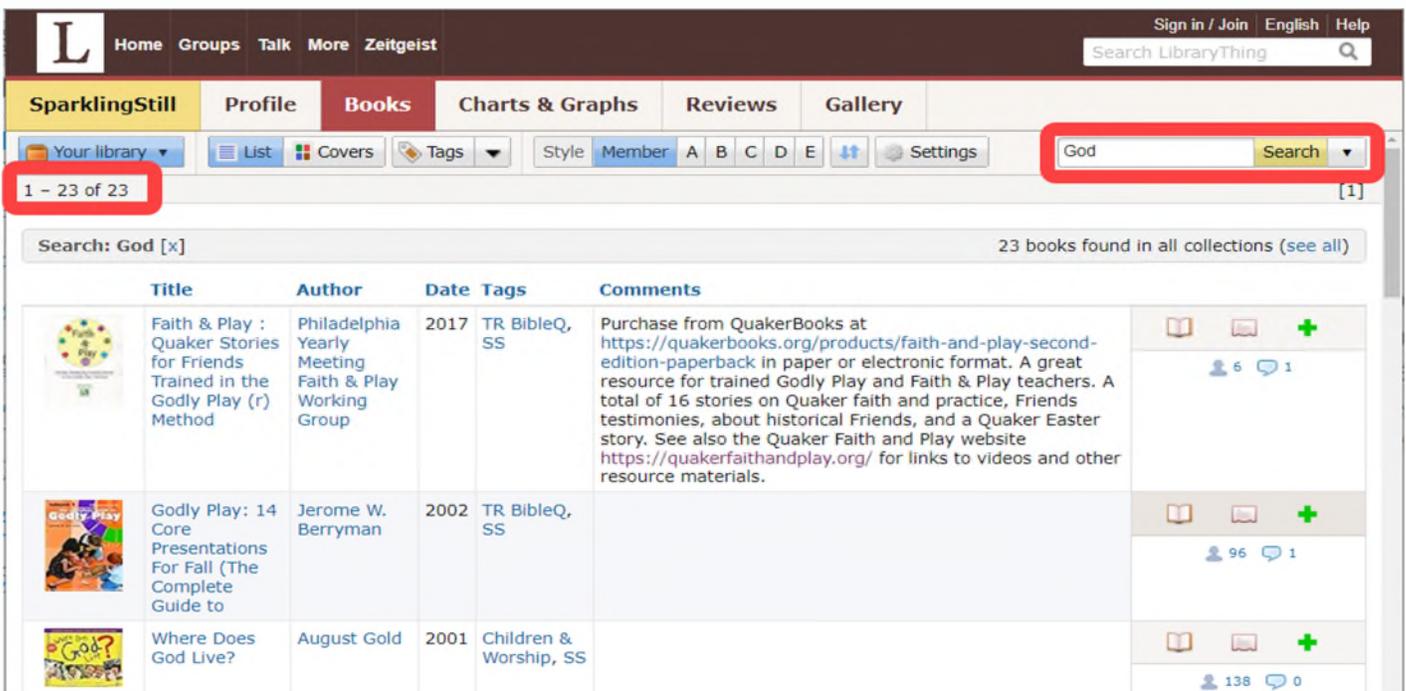

When you first open the site, you will see a listing of the books which you can browse or search within the collection by author, title, tags, or other fields.

The screenshot shows the LibraryThing interface for the 'SparklingStill' collection. The top navigation bar includes 'Home', 'Groups', 'Talk', 'More', and 'Zeitgeist'. The main navigation tabs are 'SparklingStill', 'Profile', 'Books', 'Charts & Graphs', 'Reviews', and 'Gallery'. A banner for the 'LibraryThing 2023 Roundup Hunt' is visible. Below the banner, there are filters for 'Your library', 'List', 'Covers', 'Tags', 'Style', and 'Member'. A search bar is located in the top right corner, with a red arrow pointing to it. The main content area shows a list of books with the following data:

The example below shows the result of searching for the word 'God' anywhere in the collection - there are 23 titles in the list. Some of the titles have comments that we have created as in the Faith & Play entry below. These will provide links to other sites for learning more about the book, or in the case of our newer books, YouTube links where you can often hear and see the book read to determine if it will fit your needs.

The screenshot shows the search results for the word 'God' in the LibraryThing collection. The search bar contains 'God' and the results show 23 books found. The first three results are highlighted:

Tags are a very useful way to find books on a topic. We have used tags to identify the various categories of books in Sparkling Still. To bring all of the books on Hard Issues together, we've used the abbreviation HI before listing the special topic. Similarly, we've used a T to identify the Testimonies, and TR to identify Teacher Resources. All of the titles in the original Sparkling Still also include the tag SS. We have added to the list several times and the tags SSnew15, SSnew16 and SSnew23 indicate these newer additions to our collection. To view the Tags, click the Tags button in the menu bar. To see a list of books tagged with a specific topic, just click the Tag title. The number following the tag indicates how many titles have been tagged with that topic.

The screenshot shows the 'Tags' page on the Sparkling Still website. The top navigation bar includes 'Home', 'Groups', 'Talk', 'More', and 'Zeitgeist'. The 'Books' tab is selected. Below the navigation bar, there are options for 'Your library', 'List', 'Covers', and 'Tags'. The 'Tags' section is displayed in a grid format, with a red arrow pointing to the 'Tags' button. The 'SS' tag is circled in red, indicating it is the focus of the page. Other tags include Bible (7), HI, HI Responding to Violence (10), T Community (36), and many others.

The **Book Detail page** (reached by clicking the page icon just to the left of the green plus sign in the far right column of a listing of book titles) will provide additional details about the book including the ISBN to help you locate the book at the library or your favorite bookseller. Since many of the book cover images are pulled from Amazon, there is a link at the upper right of the book detail page directly to Amazon for ordering if you choose to use them. You may want to check the Quaker Books site at <http://www.quakerbooks.org> to see if it is available from them as well. An example is on the next page
